

Mily rodiče

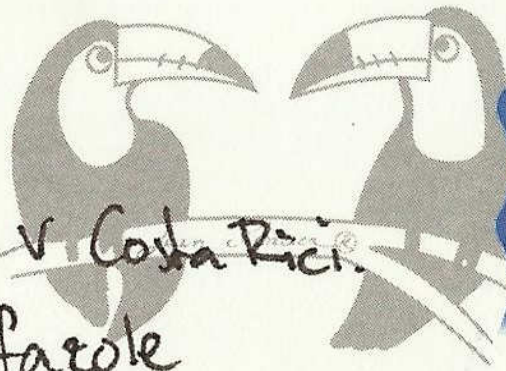

Uš sme skoro 3 tydni tady v Costa Rica.

Hodne sme jedli rize a facole  
ale mi sme taky hodne videli  
a delali. Flora + Fauna sou  
fantasticky a Ticos sou moc  
hodni na nas. My sme taky delali  
Canopy v 50m viski! Potsazi  
bilo od 32° stupnu u moree as  
15° a Damerregen v horach.

Costa Rica je moc kesha zeme  
a mi sme semeli  
moc moc dobre.
